

## Warranty Card

**Thank You for choosing the Funtronic Floor.**

### Warranty conditions

- Product is covered by 2 years warranty calculated from the date of purchase (purchase document date).
- Warranty claims will be implemented by repairing the unit. Revealed defects during the warranty period will be repaired free of charge by an authorized service center within 30 working days of receipt of the product for repair.
- To contract for the rights of the consumer under this warranty is to provide at its own expense, to the authorized service center or send to the indicated address:
  - valid warranty card,
  - valid purchase document,
  - claimed product in original box, complete and with description of fault.
- Service center may refuse warranty service in the event of non-compliance data in documents and equipment, violation of seals or any amendments on the warranty card.
- The warranty does not cover the defects caused by:
  - mechanical damage,
  - abuse,
  - improper maintenance,
  - repair by an non-authorized agent,
  - natural wear and tear,
  - usage in difficult weather conditions,
  - damage from sand, liquids, dirt or transport
- Warranty doesn't cover: packaging, accessories (battery, beamer bulb) or cosmetic damages.
- The manufacturer shall not be liable for any direct, indirect, incidental or being the consequence, loss of anticipated profits or savings resulting from the use of or inability to use this product, any damage of this product caused by the improper use by the natural wear and tear or force majeure.
- Unjustified complaints will be harged.
- If the equipment is damaged more than three times, for the same reason and through no fault of the user, the claimer has the right to change the equipment for free from defects (new or renewed at the discretion of the service).
- The warranty on the goods sold does not exclude, limit or suspend the rights of the buyer arising from the agreement non-conformity.
- The warranty does not start a new warranty obligation. On new spare parts installed in the device, the warranty period expires with the expiry of the warranty for the device
